

Dear Benefactors,

I want to thank you for all your help in providing the "Our Gift of Hope" Sonogram Sprinter. I went to the abortion clinic in Englewood, but felt so sad and depressed that something stopped me. I left and met Rosemary at the Sprinter. She was very hopeful and kind and she offered her help. She told me, "We can help you. You don't have to go through this." There was just a Spiritual connection that made me come back.

The sonogram was wonderful. The Sprinter is eye-catching. The sign says, "Free Sonogram". That means people like me who don't have insurance, people who don't have a lot of money, can get a sonogram for free.

I came back for another sonogram and Rosie told me I was having twins. I never expected twins. At first, I was like, "Oh my goodness...twins!" But then, a week later, I lost one of my babies. Rosie was there for me. She's my Angel. She was so supportive. We still keep in touch. I will never forget her or the help "Our Gift of Hope" gave us. This truly is a gift of hope. Aside from the Free sonogram, I've also been provided with all kinds of free baby supplies including a stroller and car seat and I know I can call or stop by whenever we need more help.

Now I have a beautiful, happy little boy, Samuel. I still have all the sonograms taken of when I was gonna have twins. Sometimes I'm still a little sad, but Samuel is a blessing.

Thank you all again.

Rosa and
Samuel (1/20/16)

Dear «Primary_Salutation»,

Every day at our Several Sources Shelters is challenging and heart-warming. Challenging because of all the pregnant women who seek our help, yet when we have the blessing of holding just one of the precious babies you have helped us to save, our challenges become great blessings.

Your donation of \$XXXX helps us to extend a loving hand of support exactly at the moment so any pregnant women most desperately need our help.

For example, enclosed is the story of just one of the dozens of pregnant women who have had a free Sonogram at Our Gift of Hope Sonogram Center and chosen life for her preborn son. Her story touches my heart as does your charity and compassion for God's innocent preborn.

Several years ago I had an unusual experience at our main shelter in Ramsey. I was catching up with some paperwork at the dining room table. All of a sudden I felt like someone was walking by me and humming as the unseen person went through the doorway into where the mothers and babies live.

Then a thought came to me. You could say it was my imagination but I had the feeling that Jesus had stopped by our shelters for a Baby Break... like He needed a few happy moments to get away from the current troubles of the world.

I share this with you because in some small way maybe it will help you to understand how important your kindness and generosity can be. Thanks ever so much for caring for our needy mothers and their precious babies.

Your Sister in Christ Jesus,

Kathy DiFiore
