

Dear Kathy and Benefactors,

I am so blessed and I want to say thank you so much to have you around when I needed you the most. I was scared to tell my parents about having a child. How they would be disgraced and so upset.

Several Sources became my home, my love, my life. They provided shelter, clothing, food and love which was priceless. I love them in every way. They became a part of me. Several Sources also has Chastity workshops. I learned to respect my body, my mind and soul. God wants us to find that special person in our lives. It will be 3 instead of 1, which would be God, my husband and myself. By the way, I got engaged to Jesus, which made life open up for me even more. Knowing he is there with me every step of the way.

I am graduating college next year, majoring in Business Management and furthering my life with everything I have to offer. I want to show myself and the world that I can do it with just God's help and His protection.

Thank you for saving my life when I thought I did not have anybody and especially for my newborn who is so perfect.

Maria and

Noah (12/29/15)

Dear «Primary\_Salutations»,

In this the Season when we thank Our Dear Lord for His sacrifice which reopened the gates of Heaven for us...what better gift could we give Our Savior, Our Heavenly Father and the Most Holy Spirit than the gift of saving the life of one of their innocent preborn children?

Your Baby Saving gift of \$XXXXX most certainly is making "Headlines in Heaven" as the Guardian Angels of the little lives you have saved go daily to the throne of God and in heavenly gratitude for the continued opportunity to teach and minister to the children who are now their responsibilities.

You truly are a member of a Divine Team whose hearts beat as one with Jesus' Most Sacred rejoicing Heart.

Each day we seek only to do His Divine Will. Each day the mothers, the housemothers, the Several Sources Staff and I pray for you and your dear family, for helping us to save God's innocent preborn and teach their mothers about His Divine Love for them all. I truly can't even imagine the conversations taking place in Heaven in sheer gratitude that our shelters are open, that our hotline is operating, that our Internet counseling continues...and that our Baby Saving Sprinter and Crisis Pregnancy Center operates saving babies each and every day. We teach holy chastity as we teach God's Love for our mothers and their children in our weekly Bible study classes. YOU and your kind and generous hearts make the words, "With God all Things are Possible" come true and for this we will be forever grateful.

Your Sister in Christ Jesus,

Kathy DiFiore, Founder

P.S. Enclosed is a letter of appreciation from Marie about her experiences at Several Sources and the birth of her baby. Thank you for saving this baby's life and for bringing his mother closer to God.
