Dear Fr. _____,

Writing to you is indeed a baby-saving privilege and honor which all of us at the Several Sources Shelters thank Our Dear Lord for daily. Over the now almost 35 years, we have been granted the opportunity to request the privilege of speaking to congregations like those of (Need Name of Church here).

Because of this blessing, many pastors in the Archdiocese of Newark have responded "Yes" and thousands of innocent preborn babies' lives have been saved. Some of those babies are now are in their thirties. Please note: we have three maternity shelters in the Newark Diocese including the pro-bono use of the convent at Our Lady of Good Counsel in Washington Township

Through the support of pastors like you, we are able to help frightened, abandoned, often abused pregnant teens choose life for their preborn babies. Jesus said, "Let the Little children come unto Me for of such is the Kingdom of heaven." -Matt. 19:14. Truly, Our Dear Lord wanted us to join hands so that more and more of these young mothers will give birth to their precious innocent preborn babies while also learning about Holy Chastity. For the past two years we have saved thousands of preborn, defenseless lives as pregnant women could, for the first time, see their precious preborn and hear their precious babies' heartbeats at *Our Gift of Hope Sonogram Center* across the street from one of the oldest abortion clinics in N.J.

Without the support of churches like (Need Name of Church here) our work to save God's innocent preborn unfortunately would not exist. What greater love can we show the Father, His son and His Most Holy Spirit than to protect, defend and open our doors and hearts to the pregnant women who come to us in their desperate hours of need?

I hope you find the opportunity to watch the *Gimme Shelter* DVD, about our baby-saving efforts. I believe the young people in your parish would also enjoy watching *Gimme Shelter* and using the free study guide on our website www.severalsources.net. The *Gimme Shelter* film was endorsed by Timothy Cardinal Dolan, the Archbishop of New York; Archbishop John J. Myers, Archbishop of Newark and His Excellency Bishop Ignacio Carrasco de Paula, President, Pontifical Academy for Life, Titular Bishop at Tapso, Vatican City, Rome. We now look forward to a second movie about our work called *Lady Liberty* scheduled to be released in 2017.

One of the highlights of my work at the Several Sources Shelters was the continuous support from *Blessed Mother Teresa*. In just one of her letters dated Jan. 30, 1991, she wrote to me, "Thank you for your beautiful letter - so full of your humility and availability to God where He needs you the most - to save the poorest of the poor - the un-born children." Enclosed please find a few of her letters of encouragement and our photographs. In this the year of her canonization we are hoping that your parish calendar would permit us to come and speak at your weekend masses about our baby-saving efforts. Ellen Browne, a board member and active volunteer at SSS for the over 25 years, will follow up, or it may be more convenient for you to call Ellen directly at 973 580 5662.

Prayerfully looking forward to meeting you in person at (Need Name of Church here).
